MPH*

- **Crafted from GALVALUME®** - an aluminum, zinc, and silicone-plated steel with exceptional corrosion resistance that carries a limited 20-year warranty.
- **Premium Textured Paint** with a stylish matte finish.
- **New Panel Profile Design** that makes for a stronger steel garage with a 100 MPH wind speed rating.
- **Superior-Strength Truss System** provides 35 p.s.f. ground snow load ratings.
- **Sturdy Side Entry Door** - 28 inches wide with secure key handle.
- **More Great Features** - including extra-tall 94" walls, 8'x7' sectional garage door, and premium brushed metal hardware.
- **Expandable** - 5-foot extensions to customize the length, up to 100 feet long.
- **Stylish two-tone color scheme** - Charcoal walls with an Anthracite roof.

* Wind and snow loads given are for reference only and assume a securely anchored frame according to local building codes and ordinances. These have been calculated using combined snow and wind load provisions in accordance with ASCE 7-05.
